Damage - MotoSAMOA will seek reparations for all damage to the Vehicle sustained during the rental period. Many parts must be sourced from overseas and all Freight, Duty and VAGST will be included in the estimate for repairs. Damage includes all necessary repairs to Tyres, Wheels, Chassis, Bodywork, Suspension, Engine, Controls and all other parts of the Vehicle that detract from the presentation or operation of the Vehicle, but does not include general wear and tare of the Vehicles sustained through normal use or cleaning of the Vehicle. Where possible, a Dropoff inspection will be made by a MotoSAMOA representative in the presence of the Renter and any new damage will be noted. The Renter will be notified in writing of any damage found. This inspection will form the basis for any reparations to be made. Where a Cash or Creditcard Bond has been made, the repair costs will be charged to or deducted from this bond. A schedule of common damage costs is available for inspection at the time of Pickup or Dropoff at the MotoSAMOA workshop in Asaga.
